

It's **your moment** – to be strong, to be empowered, to take care of **you**.

At Vandalia Health, we use advanced 3D technology to deliver clear, detailed images while putting your comfort first. And unlike some hospitals, our radiologists specialize in breast imaging for the most accurate results. Should you need further evaluation or testing, our comprehensive team will coordinate your care quickly for your peace of mind. **Call today to schedule your appointment at one of our many convenient locations. A physician's order is required for a mammogram.**
